ABOUT DIGITAL DOMAIN MEDIA GROUP

Digital Domain Media Group leveraged its expertise in digital visual effects (VFX) and computer-generated (CG) animation across a group of interrelated businesses. At its foundation was Digital Domain Productions (DDPI), an award-winning digital production company founded in 1993 (now the standalone company Digital Domain). This leading provider of visuals has contributed to more than 90 major motion pictures, including Titanic, the Transformers series, Pirates of the Caribbean: At World's End and TRON: Legacy and hundreds of commercials.
