*Asset Advisory and Auction Services
A Legacy since 1937*

Together, Englander Knabe & Allen and Heritage Global Partners announce our strategic Public Sector Capital Asset Management Alliance. This Public Sector Capital Asset Management Alliance is designed to assist public sector agencies to better control, manage and dispose of their capital assets.

Corporations, Institutions, and Agencies often overlook capital assets and equipment within their facilities and require remarketing networks for equipment in expanding or consolidating projects.

Heritage Global Partners specializes in:

- **Valuation**
- **Remarketing**
- **Acquisition**
- **Auctions Services**

Englander Knabe & Allen combines powerful processes, Strategic Thinking and Solid Fundamental Tactics into a communications tool that has provided our clients with successful outcomes for more than 40 years.

Heritage Global Partners is a leading provider of Asset Advisory and Auction Services. HGP was founded by Industry pioneers, Ross and Kirk Dove.
