LOGISTICS

HGP does not pack, ship, store, crate or rig items. Buyers may either pick up their items at the removal process for them. If someone other than the registered buyer at the sale is designated to pick up those purchased assets, the buyer must:

- 1) Contract with an Independent logistics firm or other representative who will dismantle, crate, pack, or ship your purchased items.
- 2) Coordinate the removal of those purchased items to meet the time deadlines indicated for that auction.
- 3) Submit an "Agent Release Authorization" form which will allow HGP to release items to a third party contractor for shipping, crating or packing purposes. The registered bidder must establish that person/ company as an "Authorized Agent" by completing the "Agent Release Authorization Form".

**Heritage Global Partners finds and displays one or more local logistics service providers who understand our removal process, offer specific services and vx have certain skills and capacities. We offer this service to you without representations or warranties of any kind whatsoever.*
