**Concerning: Order confirmation for new block spacing- / picking-up equipment.**

Best Mr. Sylvain Miron,

We thank you for your interest in our newest block spacing- / picking-up equipment !  
By signing this conformation we agree with the proposal below.

\* **IDEAAL Block spacing machine. (12 Belts wide)**

**MAXIMIUM SPREAD ALL 12 ROW DECK'S UP TO 3.00 METER !**

Speed independent synchronization between upper deck and driving part.  
Driven by an 48 Volt 7,5 Kw electric motor for more driving power.  
Very convenient joystick control.  
Conveniently display and terminal for easier handling.

**System for diagonal (staggered) spacing, and spacing by pulses for much more accuracy at longer distances between the blocks ! (see internet link below , or our website to view the movies)**
